Required Residential Landscaping & Dust Control

Installation Certification

By my signature hereon **I hereby certify** that I have been advised of the City of Pasco’s minimum landscaping (live vegetation) and dust control requirements regarding the property located at the below noted site address.

Certification for _____ located in Pasco, WA.
(Site Address)

I further certify that, at the time of final inspection, all excavated and disturbed areas of the lot shall be treated with a sprayed on dust control tacking or matting certified to last at least 120 days from the date of the application and, **that the required live vegetation and underground irrigation in the front yard, and the landscaping cover to prevent airborne dust in the rear and side yards***, shall be installed no later than **90 days from issuance of Certificate of Occupancy**, and should the above noted property be sold before the required live vegetation and irrigation (and grassy drainage swale if applicable) is installed, I shall disclose said residential landscaping and dust control requirements to the property purchaser by providing a copy of this agreement thereto, prior to closing of the sale.

I further certify that if the required landscaping/live vegetation is not installed by the date set forth herein, the property owner at that time shall be found in violation of the Pasco Municipal Code and a citation will be issued therefore, for which the property owner may be penalized with monetary penalties up to five hundred dollars (\$500.00) per day, for each day the violation exists.

***Rear and side yards in residential districts do not require live cover or underground sprinklers. However, the rear and side yards must be treated with a cover that prevents airborne dust such as pea gravel, bark, decorative, etc...)**
